UPDATE TO REGISTRATION INFORMATION PURSUANT TO
DOE/FE ORDER NOS. 2913, 3282-C, 3066, 3357-B

On February 10, 2011, DOE/FE issued Order No. 2913 granting long-term authorization to Freeport LNG Expansion, L.P., FLNG Liquefaction, LLC, FLNG Liquefaction 2, LLC and FLNG Liquefaction 3, LLC (collectively, "FLEX") to export liquefied natural gas ("LNG") from the Freeport LNG terminal to free trade agreement nations. That Order also authorized FLEX to export LNG as an agent for others and required such customers of FLEX to be registered with the DOE. Ordering Paragraph H of Order No. 2913 requires that each registration submitted thereunder have current information on file with DOE/FE. Subsequent to the issuance of Order No. 2913, DOE/FE issued Order Nos. 3282-C, 3066 and 3357-B, each of which contains the same registration and filing requirements as Order No. 2913 (see Ordering Paragraphs D and F of Order No. 3066 and Ordering Paragraphs I and K of Order No. 3282-C and 3357-B) (collectively, the "FLEX Export Authorizations").

FLEX entered into a long-term liquefaction tolling agreement with Chubu Electric Power Co., Inc. ("Chubu Electric"), and pursuant to the requirements of the FLEX Export Authorizations, filed with DOE/FE the required customer registration for Chubu Electric. The customer registration was acknowledged by DOE/FE by letter dated February 12, 2014.

Subsequent to the aforementioned registration, Chubu Electric assigned its rights and obligations under the liquefaction tolling agreement to Chubu US Gas Trading LLC ("CUSGT"), a subsidiary of Chubu Electric. Pursuant to the requirements of the FLEX Export Authorizations, FLEX filed with DOE/FE the required customer registration for CUSGT. The customer registration was acknowledged by DOE/FE by letter dated July 28, 2015.

The name of CUSGT has now changed again, as has the company's parent company and contact information. Pursuant to the aforementioned requirement under each of the FLEX Export Authorizations to have current information on file for each customer registration, I hereby inform DOE/FE that:

1. Chubu US Gas Trading LLC has changed its legal name to JERA Energy America LLC;
2. The parent company of Chubu US Gas Trading LLC is now JERA Co., Inc., a corporation incorporated under the laws of Japan with its principal office at Tokyo Nihonbashi Tower 14th floor, 2-7-1 Nihonbashi, Chuo-ku, Tokyo 103-6014, Japan; and
