RE: Trunkline LNG Export, LLC
Docket No. 13-04-LNG
DOE/FE Order No. 3252
Name Change of Trunkline LNG Export, LLC

Dear Mr. Anderson:

On January 10, 2013, Trunkline LNG Export, LLC ("TLNG Export") submitted an application in Docket No. 13-04-LNG seeking authority to export liquefied natural gas ("LNG") to (1) any country with which the United States currently has, or in the future may enter into, a free trade agreement ("FTA") requiring national treatment for trade in natural gas; and (2) any country with which the United States does not have a FTA requiring national treatment for trade in natural gas with which trade is not prohibited by United States law or policy. On March 7, 2013, DOE/FE issued Order No. 3252 granting TLNG Export authorization to export LNG to FTA countries. The portion of TLNG Export's application that seeks to export LNG to non-FTA countries remains pending.

October 10, 2014

On September 19, 2014, TLNG Export amended its Certificate of Formation with the state of Delaware in which the limited liability company's name has been amended to Lake Charles LNG Export Company, LLC.¹ This is strictly a name change and there has been no change in the ownership or corporate structure of the limited liability company nor does this name change result in a change of control.² Accordingly, pursuant to 10 C.F.R. § 590.204 (2014), TLNG Export respectfully requests that DOE/FE take the following action:

- With respect to Order No. 3252, issue an order amending the Order No. 3252 authorization to reflect the name change; and
- With respect to the pending non-FTA application in Docket No. 13-04-LNG, accept this notice as an amendment to the pending application to reflect the name change.

In accordance with DOE/FE's procedures, attached hereto is a copy of the Delaware-issued certificate verifying the name change and its effective date.

Please contact the undersigned at (202) 220-6915 if you have any questions regarding this filing. In accordance with 10 C.F.R. § 590.107 (2014), TLNG Export is serving a copy of this notice on all parties in Docket No. 13-04-LNG.

Respectfully submitted,

/s/ James F. Moriarty
