ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT LIQUEFIED NATURAL GAS

DOE/FE ORDER NO. 2040

NOVEMBER 8, 2004
I. DESCRIPTION OF REQUEST

On October 19, 2004, Marathon LNG Marketing LLC (Marathon) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),\(^1\) for blanket authorization to import up to the equivalent of 116 Bcf of liquefied natural gas (LNG) from various international sources. The authorization would be for a two-year term beginning on November 5, 2004.\(^2\) The applicant is a Delaware corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of LNG is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Marathon to import LNG from various international sources meets the section 3(c) criterion and, therefore, is consistent with the public interest so long as the LNG sources are not subject to trading sanctions. This Order authorizes transactions under contracts with terms of no longer than two years.
