ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 2393

AUGUST 30, 2007
I. DESCRIPTION OF REQUEST

On August 22, 2007, ConocoPhillips Company (ConocoPhillips) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),\(^1\) for blanket authorization to import and to export up to a combined total of 600 billion cubic feet of natural gas from and to Canada and Mexico. The applicant requests the authorization be granted for a two-year term beginning on August 27, 2007.\(^2\) ConocoPhillips is a Delaware corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by ConocoPhillips to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

\(^2\) ConocoPhillips’ authorization to import and export natural gas granted by DOE/FE Order No. 2122 on September 6, 2005, extends through August 26, 2007 (2 FE ¶ 71,177).
