FE DOCKET NO. 07-119-NG

ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 2443

NOVEMBER 6, 2007
I. DESCRIPTION OF REQUEST

On October 18, 2007, Avista Corporation (Avista) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),¹ for blanket authorization to import and export natural gas from and to Canada, up to a combined total of 150 billion cubic feet of natural gas. The applicant requests the authorization be granted for a two-year term beginning on October 3, 2007.² Avista is a Washington corporation with its principal place of business in Spokane, Washington.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Avista to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

¹/ 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redelegation Order No. 00.002.04C (January 30, 2007).
²/ At the specific request of Avista Energy, Inc., the blanket authorization to import and export natural gas from and to Canada granted to Avista Corporation on July 25, 2006 in DOE/FE Order No. 2232 (2FE ¶71,269) was vacated on October 2, 2007 in DOE/FE Order No. 2232-A. DOE has been advised by Avista Corporation that this request was made in error. Avista Corporation has re-applied in this docket for a new authorization, to begin with the vacation of its previous authority.
