DOE/FE ORDER NO. 2674

JULY 24, 2009
I. DESCRIPTION OF REQUEST

On June 19, 2009, Eagle Energy Partners I, L.P. (Eagle) filed an application with the Office of Fossil Energy (FE) of the Department of Energy, under section 3 of the Natural Gas Act (NGA), for blanket authorization to import and export natural gas from and to Canada and Mexico, to export liquefied natural gas (LNG) to Canada and Mexico, and to import LNG from various international sources, up to a combined total of the equivalent of 100 billion cubic feet (Bcf) of natural gas. The applicant requests the authorization be granted for a two-year term beginning on the date this Order is issued. Eagle is a Texas corporation with its principal place of business in Houston, Texas.

Additionally, on February 19, 2009, Eagle was granted authorization in DOE/FE Order No. 2615 to import and export natural gas from and to Canada for a two-year term beginning on March 29, 2009, and extending through March 28, 2011. Eagle requests that DOE/FE Order No. 2615 be vacated, effective the date this Order is issued, since the requested authorization in this docket will supersede the current blanket authorization.

II. FINDING

The application has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG

from other international sources are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Eagle to import and export natural gas from and to Canada and Mexico, to export LNG to Canada and Mexico, and to import LNG from various international sources, meets the section 3(c) criteria and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.
