DOE/FE ORDER NO. 3087-A

On April 23, 2012, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Diamond Capital International, LLC (DCI) in DOE/FE Order No. 3087 (Order 3087) to import and export natural gas from and to Canada and Mexico, to import liquefied natural gas (LNG) from various international sources by vessel, to import LNG from Canada and Mexico by truck, and to export LNG to Canada and Mexico by vessel and truck, up to a combined total of the equivalent of 100 billion cubic feet of natural gas over a two-year term beginning on May 12, 2012, and extending through May 11, 2014.

On October 3, 2012, DCI notified DOE that it no longer needs its current authorization because it will not be engaging in the import and export of natural gas and/or liquefied natural gas. As a result, DCI requests that DOE vacate Order 3087.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas and LNG granted to DCI in Order 3087 is hereby vacated, effective the date of this Order.

Issued in Washington, D.C., on December 3, 2012.
