On July 18, 2013, the Department of Energy (DOE), Office of Fossil Energy (FE) granted J.P. Morgan Commodities Canada Corporation (J.P. Morgan) blanket authority to import and export up to a combined total of 200 billion cubic feet of natural gas from and to Canada, pursuant to transactions that have terms of no longer than two years, in DOE/FE Order No. 3308. The authorization is effective for a two-year term which began on September 24, 2013, and extends through September 23, 2015.

On November 6, 2013, J.P. Morgan notified DOE/FE that the company incorrectly identified itself as J.P. Morgan Commodities Corporation in the application for blanket authority. The correct name is J.P. Morgan Commodities Canada Corporation.
DOE/FE Order No. 3308 is hereby corrected to reflect the company name as J.P. Morgan Commodities Canada Corporation. All other terms and conditions in DOE/FE Order No. 3308 remain in full force and effect.

Issued in Washington, D.C., on November 14, 2013.
