ORDER GRANTING BLANKET AUTHORIZATION TO
EXPORT NATURAL GAS TO MEXICO AND TO
EXPORT LIQUEFIED NATURAL GAS TO MEXICO BY VESSEL
AND BY TRUCK

DOE/FE ORDER NO. 3294

MAY 31, 2013
I. DESCRIPTION OF REQUEST

On May 16, 2013, Pentacles Energy, LLLP (Pentacles) filed an application with the Office of Fossil Energy (FE) of the Department of Energy under section 3 of the Natural Gas Act (NGA)\(^1\) for blanket authorization to export natural gas to Mexico, and to export liquefied natural gas (LNG) to Mexico by vessel and by truck, up to a combined total of the equivalent of 36 billion cubic feet (Bcf) of natural gas. The applicant requests the authorization be granted for a two-year term beginning on the date the Order is issued. Pentacles is a Delaware limited liability limited partnership with its principal place of business in Sumbright, Tennessee.

II. FINDING

The application has been evaluated to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including LNG, from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest and applications for such imports or exports must be granted without modification or delay. The authorization sought by Pentacles to export natural gas to Mexico and to export LNG to Mexico by vessel and by truck, meets the section 3(c) criteria and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

\(^1\) The authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. §717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-002.04E issued on April 29, 2011.
