NATURAL GAS FROM CANADA AND MEXICO
AND TO EXPORT NATURAL GAS TO CANADA AND MEXICO

DOE/FE ORDER NO. 1244
I. DESCRIPTION OF REQUEST

On January 24, 1997, ERI Services, Inc. (ERI Services) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)1 and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 100 Bcf and to export up to 100 Bcf of natural gas from and to Canada and Mexico. The term of the authorization would be for two years beginning on the date of the first import or export after February 15, 1997.2 ERI Services, a Delaware corporation with its principal place of business in Pittsburgh, Pennsylvania, is a wholly-owned subsidiary within the corporate system of Equitable Resources Inc. ERI Services will import and export the gas under spot and short-term transactions, either on its own behalf or as the agent for others. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by ERI Services has been evaluated to determine if the proposed import/export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-15 U.S.C. 717b.

/ This is the expiration date of ERI Services' (formerly Equitable Resources Marketing Company) existing blanket import/export authorization granted by DOE/FE Opinion and Order No. 356 dated December 6, 1989, (1 FE 70,271).
486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by ERI Services to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
