ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 1500

JULY 2, 1999
I. DESCRIPTION OF REQUEST

On June 22, 1999, as supplemented June 30, 1999, Mieco Inc. filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)\(^{1/2}\) and DOE Delegation Order Nos. 0204-111 and 0204-127, for authorization to import up to 13 Bcf of natural gas and to export up to 13 Bcf of natural gas from and to Canada over a two-year term beginning on the date of the first import or export delivery. Mieco Inc. is a wholesaler of energy products, including natural gas, with its principal place of business in Long Beach, California. Meico is a subsidiary of Tokyo-based Marubeni Corporation, a large international and investment company. Meico intends to import and export the natural gas under short-term and spot market transactions which will reflect current market conditions. The proposed authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by Mieco Inc. has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas, is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Mieco Inc. to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the

public interest. This blanket Order authorizes transactions under contracts with terms of no longer than two years.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. Mieco Inc. is authorized to import up to 13 Bcf of natural gas from and to export up to 13 Bcf of natural gas to Canada over a two-year term beginning on the date of the first import or export delivery.

B. This natural gas may be imported and exported at any point on the border between the United States and Canada.

C. Within two weeks after deliveries begin, Mieco Inc. shall provide written notification to the Office of Natural Gas & Petroleum Import & Export Activities of the date that the first import or export of natural gas authorized in Ordering Paragraph A above occurred.

D. With respect to the natural gas imports and exports authorized by this Order, Mieco Inc. shall file with the Office of Natural Gas & Petroleum Import & Export Activities, within 30 days following each calendar quarter, reports indicating whether imports or exports of natural gas have been made. Quarterly reports must be filed whether or not initial deliveries have begun. If no imports or exports of natural gas have been made, a report of "no activity" for that calendar quarter must be filed. If imports or exports have occurred, Mieco Inc. must report the following: (1) total monthly volumes in Mcf; (2) the average monthly purchase price of gas per MMBtu at the international border; (3) the name of the seller(s); (4) the name of the purchaser(s); (5) the estimated or actual duration of the agreement(s); (6) the name of the United States transporter(s);
(7) the point(s) of entry and exit; and (8) the geographic market(s) served (for imports, by State).

For import transactions only, the report shall also include: (1) whether sales are being made on an interruptible or firm basis; and, if applicable, (2) the per unit (MMBtu) demand/commodity/reservation charge breakdown of the contract price. [OMB No.: 1901-0294]

E. The notification and reports described in Ordering Paragraph C and D of this Order shall be filed with the Office of Natural Gas & Petroleum Import & Export Activities, Fossil Energy, Room 3E-042, FE-34, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585.

F. The first quarterly report required by Ordering Paragraph D of this Order is due not later than October 30, 1999, and should cover the period from the date of this Order until the end of the third calendar quarter, September 30, 1999.

Issued in Washington, D.C., on July 02, 1999.
