ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1545

NOVEMBER 26, 1999
I. DESCRIPTION OF REQUEST

On November 2, 1999, The Montana Power Trading & Marketing Company (MPTM) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),\(^1\) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import up to 55 billion cubic feet of natural gas from Canada for a period of two years commencing on the date of the first delivery after January 27, 2000.\(^2\)

MPTM is a Montana corporation with its principal place of business in Butte, Montana. MPTM is engaged in wholesale and retail marketing of natural gas. MPTM will import the gas under short-term and spot market arrangements for sale primarily in the States of Montana, Idaho, Wyoming, Colorado, Michigan, Texas, Utah and California. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by MPTM has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by MPTM to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c)

\(^{2}\) January 27, 2000, is the expiration date of MPTM’s current import authorization granted by DOE/FE Order No. 1351 on January 12, 1998 (1 ¶ 71,514).
criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.
