_____)

ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1593

MAY 16, 2000

I. DESCRIPTION OF REQUEST

On May 5, 2000, Indeck-Yerkes Limited Partnership (Indeck-Yerkes) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)^{1/} and DOE Delegation Order Nos. 0204-111 and 204-127, for authorization to import from Canada up to 18 Bcf of natural gas over a two-year term, beginning on the date of this Order.^{2/} Indeck-Yerkes is a limited partnership under the laws of the State of Illinois with its principal place of business in Buffalo Grove. Indeck-Yerkes will import the gas to be used as fuel for its 53.2 megawatt gas-fired, non-utility power generation facility located in Tonawanda, New York, under spot and short-term purchase arrangements. The proposed authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by Indeck-Yerkes has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Indeck-Yerkes to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section

^{1/} 15 U.S.C. § 717b.

^{2/} Indeck-Yerkes currently holds blanket import authority granted by DOE/FE Order No. 1409 issued on September 10, 1998, (2 FE ¶ 70,225) which will be vacated by a separate Order.

3(c) criterion and, therefore, is consistent with the public interest. This blanket Order authorizes transactions under contracts with terms of no longer than two years.

ORDER

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. Indeck-Yerkes Limited Partnership (Indeck-Yerkes) is authorized to import from Canada up to 18 Bcf of natural gas over a two-year term, beginning on May 16, 2000, and extending through May 15, 2002.

B. This natural gas may be imported at any point on the border of the United States and Canada.

C. With respect to the natural gas imports authorized by this Order, Indeck-Yerkes shall file with the Office of Natural Gas & Petroleum Import & Export Activities, within 30 days following each calendar quarter, reports indicating whether imports of natural gas have been made. If no imports of natural gas have been made, a report of "no activity" for that calendar quarter must be filed. If imports have occurred, Indeck-Yerkes must report total monthly volumes in Mcf and the average purchase price of gas per MMBtu at the international border. The reports shall also provide the details of each transaction, including: (1) the name of the sellers(s); (2) the estimated or actual duration of the agreement(s); (3) the name of the U.S. transporter(s); (4) the point(s) of entry; (5) whether sales are being made on an interruptible or firm basis; and, if applicable (6) the per unit (MMBtu) demand/commodity/reservation charge breakdown of the contract price. [OMB NO. : 1901-0294]

D. The first quarterly report required by Ordering Paragraph C of this Order is due not later than July 30, 2000, and should cover the period from the date of this Order, until the end of the second calendar quarter, June 30, 2000.

E. The quarterly reports required by Ordering Paragraph C of this Order shall be filed with the Office of Natural Gas & Petroleum Import & Export Activities, Fossil Energy, Room 3E-042, FE-34, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585.

Issued in Washington, D.C., on May 16, 2000.
