ORDER GRANTING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO

DOE/FE ORDER NO. 1610

JULY 13, 2000
I. DESCRIPTION OF REQUEST

On July 7, 2000, CCGM, L.P. (CCGM) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA)\(^1\) and DOE Delegation Order Nos. 0204-111 and 0204-127, for authorization to import and export up to a combined total of 146 Bcf of natural gas from and to Canada, and to import and export up to a combined total of 146 Bcf of natural gas from and to Mexico. The authorization would be for a two-year term beginning on July 1, 2000, and extending through June 30, 2002.\(^2\) CCGM, a marketer of natural gas, is a Texas limited partnership with its principal place of business in Houston. CCGM will import and export the natural gas under short-term purchase arrangements, either on its own behalf and as an agent for others. The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by CCGM has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by CCGM to import and export natural gas from and to Canada and Mexico, nations with which free trade agreements are in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

\(^2\) CCGM’s blanket authorization to import and export natural gas granted by DOE/FE Order Nos. 1395 dated July 1, 1998, (2 FE ¶ 70, 201) expired June 30, 2000.

The term of this authorization is for a two-year period beginning on July 1, 2000, and extending through June 30, 2002.
