**ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT
AND EXPORT NATURAL GAS FROM AND TO CANADA**

DOE/FE ORDER NO. 1618

AUGUST 7, 2000

I. DESCRIPTION OF REQUEST

On July 28, 2000, Westcoast Gas Services Inc. (WGSI) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act^{1/} (NGA) and DOE Delegation Order Nos. 0204-111 and 0204-127, for blanket authorization to import and export up to a combined total of 200 billion cubic feet of natural gas from and to Canada over a two-year term beginning on the date of first delivery. WGSI, a Federally incorporated company with headquarters in Vancouver, British Columbia, will import and export the gas either on its own behalf or as the agent for others.^{2/} The requested authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by WGSI has been evaluated to determine if the proposed import/export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by WGSI to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b.

^{2/} WGSI is a wholly-owned subsidiary of UEI Holdings Inc., which is a wholly-owned subsidiary of Westcoast Gas Inc., which is a wholly-owned subsidiary of Westcoast Gas Holdings Inc., which is a wholly-owned subsidiary of Westcoast Energy Inc.
