ORDER VACATING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 1745-A

On December 5, 2001, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Enron Canada Corp. (ECC) in DOE/FE Order No. 1745 (Order 1745) to import and export up to a combined total of 1800 Bcf of natural gas from and to Canada over a two-year term commencing January 1, 2002, and extending through December 31, 2003.

On June 6, 2003, ECC filed a letter requesting that FE vacate Order 1745. ECC will close its operation and has determined that there is no need for its current blanket authorization.
Accordingly, pursuant to section 3 of the Natural Gas Act, DOE/FE Order No. 1745, authorizing the import and export of natural gas from and to Canada, is hereby vacated.

Issued in Washington, D.C., on June 18, 2003.
