FE DOCKET NO. 01-83-NG

ORDER GRANTING BLANKET AUTHORIZATION TO  
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 1746

DECEMBER 5, 2001

## I. DESCRIPTION OF REQUEST

On November 29, 2001, Puget Sound Energy, Inc. (PSE), filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),<sup>1/</sup> and DOE Delegation Order Nos. 0204-111 and 0204-127, for an authorization to import up to 50 billion cubic feet of natural gas from Canada over a period of two years beginning on December 6, 2001.<sup>2/</sup> PSE, a public service company incorporated in the State of Washington, will import the natural gas under spot and short-term arrangements, either on its own behalf or as the agent for others. The proposed authorization does not involve the construction of new pipeline facilities.

## II. FINDING

The application filed by PSE has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import of natural gas from a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by PSE to import natural gas from Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This blanket order authorizes transactions under contracts with terms of no longer than two years.

1/ 15 U.S.C. § 717b.

2/ December 5, 2001, is the expiration date of PSE's import authorization granted by DOE/FE Order No. 1544 on November 23, 1999 (2 FE ¶ 70,416).
